BERNARD DE VOTO, in my opinion one of the great liberals of our time, died last week. As author of *The Easy Chair* in "Harper's," DeVoto never hesitated to say what he felt had to be said.

He has been called both a Fascist and a Communist by groups that populate the extremes, but thanks to his own stern character and to the magazine for which he wrote, he never let these appellations disturb him unduly.

Mr. DeVoto's column in November's "Harper's," perhaps the last *Easy Chair* to appear, was, I believe, one of his best. I hope it is widely reprinted and used in colleges to help guide young newspaper people everywhere. This last column, I know, helped bolster my courage to the point of entering a mild controversy here and to say some things that, I think, should be said.

THE PURCHASE Prize Exhibition, as will be noted elsewhere in this page, is all over but for the shouting. And there is likely to be some more of that.

Several local artists, it appears, were injured because no one from Sierra Madre was invited to participate.

The Exhibits Committee of the Friends of the Library gathered the paintings of some of California's top artists and presented a show of real merit, one that much larger cities, I'm sure, would have been happy to call their own.

Sierra Madre artists, whether established or still learning their trade, should have been overjoyed to have had an opportunity to study the show's paintings without having to risk life and limb speeding over the freeways. Many of them undoubtedly were.

In any event, all the local artists will have a chance to display their talents in a show of their own next month. I hope they all take advantage of the opportunity.

THE NEWS has received several complaints from Sierra Madreans over the section of the paper devoted to Hastings Ranch. Actually, only one and one-half pages are devoted to Hastings. The remainder of the paper carries Sierra Madre news, with the exception of a few stories that appear to be of general interest to the residents in this area.

Hastings Ranch, both upper and lower, contains about 2,400 homes, if my arithmetic is correct. This means that about 7,000 people live in the Ranch.

The natural habitat of the Ranchites is a house, an attractive house more often than not and sometimes expensively furnished. Most Ranchites, I would judge, are solid citizens and good Republicans of the Eisenhower persuasion.

They eat, sleep, raise children and go to parties much as do the citizens of neighboring Sierra Madre. Many of them, if not all, exist on above average incomes, it would appear, although they tend to deny this, especially when the bills have to be paid.

Why the Ranchites shouldn't have their activities duly noted in a newspaper is beyond me. Probably about 99 per cent of the Sierra Madreans realize that their one-time village surrounded by orange groves is a village no longer. Hastings is in the Sierra Madre trading area, and vice versa.

Fortunately, this 99 per cent appears to be happy with the Hastings section of *The Sierra Madre News*.

DUBLIN PLAYERS AT PASADENA THEATER TONIGHT

The famed Dublin Players will open a six-day engagement at the Pasadena Playhouse this evening. These will be their only appearances in the Los Angeles area during their annual coast-to-coast tour.

They will present: "Arms and the Man," by George Bernard Shaw, tonight; "The Money Doesn't Matter," by Louis D'Alton, tomorrow and Thursday, Nov. 23-24; "An Ideal Husband," by Oscar Wilde, on Friday evening and Saturday matinee, Nov. 25-26; "Pygmalion," by Shaw, on Saturday and Sunday evenings, Nov. 26-27.

Tie Voted In Local Art Show

By A. L. Suman

Member Exhibits Committee Friends of the Library The final tabulation of ballots to decide the winner of the \$350 Purchase Prize Award found Robert Frame and Joshua Meador deadlocked for first place.

The results were tabulated by the local auditors, Eugene Lunsford and William Bodley. Under the rules of the contest four groups were given a chance to vote. The vote of the trio of expert judges counted 40 points in each position while

Here's what the public said about the Purchase Prize Exhibition: "I voted for Sueo Serisawa's 'Mar With Summer Flowers,'" said Lincoln Pascal, 455 E. Laurel, "because I thought the painting was the most unique and original."

Dr. P. R. Woodworth, 522 W. Sierra Madre Blvd., said that "Old River Ranch" was the most pleasing to me and the one I would like to own."

Tom Hilar, a designer at 320 E. Grand View, voted for "Remnants of an Era" because "that's exactly what it was."

"I voted for Zorthian," said Talu Kraska, a former airline stewardess, of 337 E. Alegria, "because after meeting the artist and hearing the circumstances preceding the painting of 'The Eaters,' it became as emotionally Spanish as a bullfight."

"Jonathan Scott's 'Pensive' pleased me," said Mrs. Noren Eaton, 145 E. Alegria.

A former society reporter for *The Sierra Madre News*, Mrs. Howard Miller, 165 E. Grand View, said that "I voted for 'God Is Love' because I thought it was the most moving painting."

"I voted for 'Indian Summer,' by Dorothy Jordan," said Mrs. Elizabeth Pressman. "It was a vivid flash of color. I'd go for that any time!"

those of the artists themselves, the Exhibits Committee, and the art-minded public counted each 20 points. Thus, a unanimous choice in any position would total 100 points.

But there was little unanimity in the balloting for first place.

The Exhibits Committee, of which Mrs. T. M. R. Parker is chairman, voted first place to "Remnants of an Era," by Joshua Meador (20 points).

The artists themselves rated Richard Haines' "Berry Pickers" highest (20 points).

The trio of judges selected Robert Frame's painting, entitled "Idyllwild" (40 points).

And the public vote showed

Scouts Ready For Mule Canyon Trek

More than 3,000 Boy Scouts and their dads will participate in the 22nd annual desert caravan in Mule Canyon, near Barstow, for three days following Thanksgiving, Chairman William H. Morse of the San Gabriel Valley Council announced yesterday.

The annual caravan has become a tradition with the local Scout Council and has grown to be the largest activity of its kind in the United States.

For a number of years after the caravan was originated transportation to the camp site was done in true "caravan style." Today, more than 400 vehicles are required to transport the group. As a result, the California Highway Safety Patrol has requested all cars, trucks and buses to travel on their own to the caravan rendezvous spot.

A complete program of activities has been planned, including church services for all faiths on Sunday morning, Nov. 27.

Brig. Gen. Roy M. Gulick, commandant of the Marine Corps Supply Center at Barstow, has assured the Council of full cooperation of the Marines during the Scouts' three-day camp.

In addition the Marine Corps will supply water, wood for campfires, generator and public address system and give a demonstration of Marine equipment.

Every community in the San Gabriel Valley will be represented at the caravan. For most dads it is the only time they have to camp with their sons during the year.

Her family moved to Pasadena, where she attended Pasadena schools through three years of junior college.

The Coutants were married in 1934, and moved to Sierra Madre from Rancho Santa Fe in 1941. Mrs. Coutant has been active in PTA work for the past eight years. She has been a member of the Recreation Commission, and a den mother for Cub Scouts.

paigns for Community Chest and Red Cross, and has been clerk of the Sierra Madre Board for the past five years.

She was on the committee to organize the Sierra Madre Community Band, assisting in launching the summer concerts in the park. Writing is her main interest, and she has done publicity for several organizations and groups. At present she is employed as a reporter for the Pasadena Star-News.

Mrs. Coutant is employed by a firm engaged in the manufacture of scientific instruments. The Coutants have one son, Stanley, 12, who attended Sierra Madre City School, and is now in the eighth grade at John Marshall.

Local Engineer Dies In Nevada Air Crash

A Sierra Madre engineer was among 14 passengers killed in the crash of an Air Force C-54 last Thursday atop snowy Mt. Charleston, near Las Vegas, Nev.

The victim was Frederick Hanks, 35, who lived with his wife Betty at 631-B Brookside Lane. Mr. Hanks was a consultant for the Hycon Manufacturing Co., Pasadena.

The latest report from searchers who reached the wreckage indicate that there were no survivors. Also aboard was Harold C. Silent, 59, of Los Angeles, also a consultant to Hycon. Rescue parties yesterday were bringing the bodies down to the Nellis Air Force Base rest camp at the 8,500-foot level of the mountain.

Mr. Hanks was born in Texas 35 years ago and was a mechanical engineer. In 1953 he left the Air Force after 11 years

of active duty and joined Hycon. He also acted as consultant to the military services as well as to others on mechanical engineering problems.

Mr. Silent was a descendant of an old Glendora family and was internationally known as an engineer for expert testimony in patent litigation in Sweden and for handling the English end of the first transcontinental telephone system.

Two other Southern Californians killed in the crash were Richard J. Huda, 37, structural engineer, 361 Lutge, Burbank, and Rodney H. Kreimendahl, 38, a structural engineer, 12257 Riverside Drive, North Hollywood.

Appointive officers installed are Annabell Fox, chaplain; Laurie Cooper, marshal; Burnette Meeder, organist; Rose Adams, warder, and Frank Marsh, sentinel. Five rays of the star installed are Madge Bowling, Adah; Mary Basil, Ruth; Ruth Simpson, Esther; Dalls Douglas, Martha, and Marie Traus, Electa.

Dear Santa Claus . . .

You Can Help Maintain Child's Faith in St. Nick Via Postman

The faith of children that their letters to Santa Claus will be delivered will give the Post Office Department one of its annual problems during the coming holiday season, O. H. Fuller, regional operations manager, Post Office Department, San Francisco, said yesterday.

"Postal workers know that Christmas, instead of being happy, can mean broken hearts for many unfortunate children," Fuller said, "because there will be letters like the following typical example":

Dear Santa Claus:
I am nine years old and I would like you to please send me a mama doll that cries and sleeps so please don't forget me, Santa. A big mama doll. If you do send me it I would be very happy. And also a warm blanket to cover myself.

My Daddy is in the hospital because he has heart trouble and my Mommy is sick too but she is home with me and my brother Allan. I wrote last year to you and you forgot about me.

"The Post Office Department," Fuller said, "has a soft spot in its heart for these children. There is a special provision in the Postal Manual with respect to letters from children to Santa Claus."

"Such letters do not have to be stamped 'Undeliverable'—Address Unknown—and sent to the dead letter office. Postmasters are authorized to turn over Santa Claus letters to individuals or groups which request them for exclusively philanthropic purposes."

"Anyone who would like to help make Christmas a merry one for some deserving youngster can contact the local postmaster and make arrangements to receive a Santa Claus letter in accordance with Postal Manual, Section 158.6j."

T. W. Neale Named Head of Bank Here

David Allen Appointed Vice President; Board Makes Dom Boggio Assistant Cashier

Thomas W. Neale, owner of a general insurance and real estate business at 66 W. Sierra Madre Blvd., has been appointed president of the Bank of Sierra Madre to succeed the late Rollin C. Lewis, who died Nov. 11.

The bank's Board of Directors also appointed a new vice president and assistant cashier at its meeting last Friday.

The new vice president is David Allen, formerly assistant cashier. His position will be filled by Dominick Boggio, who has been associated with the bank for the past year and a half. Al Morgan, president of the Sierra Madre Chamber of Commerce, is the bank's senior vice president.

Neale was born in Tennessee but spent most of his early years in Florence, Ala. He worked throughout the South as a railroad and Western Union telegraph operator.

At 21 years of age, Neale joined the Army Signal Corps and spent the next six years in Alaska and the Philippine Islands. He then joined the Marine Corps, participated in World War I and was a member of the Army of Occupation in Germany.

In 1919, Neale came to Sierra Madre and married the former Helen V. Gordon. Following a prolonged illness, Neale entered the real estate business here. He formed his insurance agency during the depression.

A director of the Bank of Sierra Madre for the past 17 years, Neale was a city judge here from approximately 1937 to 1947.

He and his wife have one daughter, Nina, who now runs her father's insurance business.

"We don't plan at the present to appoint a new director to succeed Mr. Lewis," said Neale. "Mr. Morgan and Mr. Allen will direct the bank, which, incidentally, has one of the best ratings in the state."

Allen, who is 37 years old, has been in the bank for the past eight years. His family has been associated with it for about 40 years.

Allen, his wife and their three children live in the Coronet section of Hastings Ranch.

Directors of the bank are W. S. Hull, Judge Arnold Praeger of the Los Angeles Superior Court, Rudolph Hartman, Morgan, Allen and Neale. Judge Praeger also is a vice president.

1956 CHAMBER DIRECTORS PICKED

The names of five directors of the Sierra Madre Chamber of Commerce for 1956 were announced yesterday.

They are Al Morgan, vice president of the Bank of Sierra Madre; Robert Green, local manager of the Southern California Edison Co.; Charles Louk, postmaster; Tom Schwartz, the Sierra Madre Co., and Mrs. Harold Roberts, Roberts Market.

All were re-elected, with the exception of Louk and Schwartz who are new board members. Seventy votes were cast out of a possible 80, with Morgan and Louk tying for the top vote getter.

MR. AND MRS. Henry Schlicher, whose daughter, Mrs. Ray F. Stadler, lives at 329 E. Highland, Sierra Madre, celebrated their 60th wedding anniversary at an open house in Mrs. Stadler's home. The Schlichers, who live in Monrovia, came to California in 1944 from Chicago. Mrs. Schlicher is 80; her husband, 82. Mrs. Stadler will entertain her parents Thanksgiving Day at a dinner.

Thanksgiving Day

Mrs. Hazelle R. Paus, 282 San Gabriel Court has kindly given The Sierra Madre News permission to reprint "Thanksgiving Day," which is included in her book of poetry, "Journeys in Thoughtland," recently published by Vantage Press.

This month, remembrance brings to mind

The Courage, hope and faith, the love,

Which early settlers on our shores

Planted in a hostile world,

To Sprout and then give vibrant birth

To something so profound,

Its meaning sweeps around the earth.

While freedom's flag, unfurled,

Flutters in the purifying air,

Freedom stimulates on wings of prayer.

DON'T FORGET! THURSDAY SERVICE AT CITY PARK

Sierra Madreans will unite in a service of thanksgiving to God on the national festival set aside for that purpose.

The services will be held in the City Park at 10:30 a.m. on Thanksgiving Day, Rev. Chilton McPheeters will bring the message of the morning, and the combined choirs of the churches, under the direction of Mrs. Robert Schaper, will sing a Thanksgiving anthem. Mayor Charles James will read the Thanksgiving proclamation.

Troop 373, Boy Scouts of America, will be in charge of presentation of colors. Clergymen participating in the service include Rabbi Charles W. Steckel, Rev. Orion Burlison, Rev. Robert Schaper, Rev. Donald Ostrander, and Rev. George Linsay.

An offering will be taken for the Share Our Surplus program, by which government surplus commodities are made available to religious agencies for distribution to areas of need.

One dollar contributed makes \$20 worth of food available in overseas areas.

In the event of inclement weather, the service will be held in the Congregational Church, opposite the park.

Float Design Submitted to Tournery Office

The design for Sierra Madre's float in the Tournament of Roses, which will be secret until the Coronation Ball Dec. 3, has been submitted to the tournament office, Mrs. B. N. Cousins, chairman, announced yesterday.

The design has been prepared in color by Duncan Aldrich, a commercial artist from Sierra Madre, and stands a good chance of being one of the most attractive in the Rose Parade Jan. 2.

Mrs. Cousins is now soliciting volunteers to help decorate the float.

The girls who will sell roses in Sierra Madre Dec. 2 and 3 already have been selected (*The News*, Nov. 17). The girl who sells the most roses will be named queen at the Coronation Ball in the Woman's Club.

Tickets to the ball are on sale in *The News* office. Donations of \$1 per person will cover admissions. Several professional entertainers will be on hand during the ball.

They include Lalo (Poncho Lopez) Guerrero, the "Real" recording star, and the Staydusters, a dance orchestra.

Lee Shippey asks

What Do You Think?

EVERY CHRISTMAS for several years we have given books by Holling Clancy Holling to children who wouldn't be old enough to read for several years, knowing their parents would read, learn from and enjoy the books and the children would treasure them for their beauty and picture-interest and acquire a sense of proud possession which would inspire care.

A child who doesn't learn to care for his own treasures may never learn to care for anything. Holling's books are planned to entertain and inspire the imagination of juveniles, but I don't know any adult who can't learn a great deal of natural history, American history and tradition from them.

That is so generally recognized that not long ago the grand old publishing house of Houghton Mifflin paid the expenses of Mr. and Mrs. Holling on a tour clear across America, to appear at autograph parties in leading book stores. And wherever they went, from Boston to Seattle, crowds turned out to meet them. Vroman's in Pasadena will assure you this is true.

As an artist, Holling has also helped Walt Disney plan several of his educational pictures, and has been a consultant on the creation of Disneyland. Both

adults and children find him a most delightful, entertaining and informed personality.

Well, Holling Clancy Holling will speak in the Community Room of our Public Library Friday evening, Dec. 9, and both adults and children are invited. And I'm pretty sure that if any of you bring copies of Holling books, old or new, this most obliging and friendly author will autograph them.

THAT AIR LINE crash in Colorado which took 44 lives should teach all of us how unjust and dangerous it is to leap to conclusions.

When it was revealed that the crash was caused by a bomb, millions of Americans suspected that some of the men striking against the air line had planted the bomb. Several nationally known broadcast commentators never failed to mention the strike in connection with the bombing, in such a way that listeners could hardly help drawing that inference.

Yet the murderer who planted the bomb had no connection with the strikers. He planted it in the suitcase of his own mother, a passenger on the plane, in hope of collecting the \$37,500 life insurance policy he had taken out on her life without her knowledge. It's a striking example of how easy it is for those who harbor prejudices unjustly to suspect and even accuse, by inference, completely innocent persons.

HAPPY THANKSGIVING. And there's always something to be thankful for. If for nothing else just now, be thankful that you are not a turkey.

Letters to the Editor

To the Editor:

The Thanksgiving holiday that lies ahead is a time for evaluation. Like the Pilgrim Fathers who originated the custom, and who are our spiritual ancestors, we pause and take time to think of our blessings and give thanks for them.

We give thanks for our personal blessings—our children and our homes—and we also give thanks for the blessings of our community and our country and the free society in which we live.

And we once again rededicate ourselves to work for the further improvement and enhancement of this way of life for we know that, as Paul said in one of his letters to the people of Corinth, "He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully."

It seems to me that during this season of Thanksgiving, we could be thinking ahead of an issue very important to the future real harvest of our community. The issue is the coming school tax raise election and the real harvest is, of course, the creative and productive capacity of our citizenry. If we wish to reap the full harvest of a well educated, intelligent, enlightened citizenry in the days to come, we must prepare the soil now, and sow bountifully—or else we will reap sparingly to the great detriment of all of us.

During the six weeks or so between now and the election we should all give grave thought to the needs of the school children of Sierra Madre. There will be articles in the newspaper and brochures distributed throughout the town showing how real the need is for a raise in the school tax and while we give thanks on this holiday and think of the first Thanksgiving, let us also think of the Thanksgivings that lie ahead and remember St. Paul's words to the Corinthians.

Mr. Shippey is big in mental, moral and spiritual stature and can take, and has taken, many brickbats along the way. In my estimation, he is one of our most beloved citizens, and having known him for over 27 years I should know.

I believe discussions of this kind are very beneficial to the whole community and I hope you will continue to publish the "letters."

Club's Ball, Even the Pop, A Success

By Judy Haymaker

AT LAST we can sigh with relief. The long awaited dance was held and named a success, even down to the six cases of coke, orange pop and root beer. We owe it all to the diligent efforts of the members, supporters, and to Lorne Pratt, who made the wonderful entertainment possible.

The advertisements were conceived by several adults and were carried out successfully. One in particular, the car parade, was suggested by Mrs. Rosa Cason. Her idea was to decorate several cars and cruise around Pasadena and other neighboring cities.

We spent five hours printing banners for three cars, and bought nine rolls of crepe paper. That same Friday night around 6:30 we left Mick McCormack's house, where the cars were decorated, leaving a promise to return by 12:30 (or else!) Unfortunately there were only two cars, Danny Peterson's and Mick McCormack's, but they sure did a swell job!

THOSE WHO attended the Coronation Dance had the unique opportunity of meeting Earl McDaniel, KPOP disc jockey. He was real sweet to all of us, and truly a great guy. He brought with him Enid Leigh, an English singer, who made her first appearance in America at the dance.

We reserve special mention for a young man, Jerry Wallace, who is a singer and comedian. Jerry did several hilarious imitations of famous singers. Honestly, this guy has everything—looks, personality, a good voice, and the ability to crack a joke just right.

The Penguins, a famous singing group, were scheduled to appear, but to the disappointment of all, they never did. But, all in all, the dance was a big success, right down to the crowning of our lovely queen, Terry Dean, and to Danny Peterson's carefully prepared speech.

THE SEMANON Club wishes to express its sincere thanks to the Exchange Club, which held a wonderful dinner and meeting at Carpenter's, which the Semanon officers were honored to attend last Thursday night.

It was a wonderful and enlightening evening for all of the Semanons present. We thoroughly enjoyed knowing and seeing how considerate, generous and interested are the groups that are our silent partners.

Last Tuesday the Semanons officially acquired a director. His name is Barry Alexander, and he teaches English at Arcadia High School. Mr. Alexander is a very ambitious person, and is anxious to see the results of his ideas successful.

There is a special meeting planned for Semanon members this Wednesday night to prepare for a welcoming party the following Saturday. All Sierra Madre teenagers are invited to attend as an introduction to the club and to Mr. Alexander.

Modern Fence Ideas

Years ago fences were built to keep trespassers and stray animals out of the yard. Today, in addition to providing security and privacy, fences are widely used to increase the beauty and comfort of outdoor living.

Redwood fences make ideal backgrounds for flowers and shrubs, serve to separate garden areas, shield doorways from the street and screen outdoor living areas from unwelcome breezes.

Come to our yard and let us show you the modern trends in fence design. We'll be glad to help you estimate the materials you'll need.

Let us serve you.

RESOLUTION OF INTENTION
A RESOLUTION OF THE CITY PLANNING COMMISSION OF THE CITY OF SIERRA MADRE, CALIFORNIA, DECLARING ITS INTENTION TO ADJUST, ALTER OR CHANGE THE NAME OF A CERTAIN PUBLIC STREET IN THE SAID CITY, TO WIT: GRIMES AVENUE (Tract No. 19415) AND FIXING A TIME AND PLACE FOR HEARING OBJECTIONS THEREON.

THE CITY PLANNING COMMISSION OF THE CITY OF SIERRA MADRE DOES RESOLVE AS FOLLOWS:

SECTION 1. NOW, THEREFORE, the City Planning Commission does Resolve, Order and Determine as follows:

That pursuant to the provisions of Sections 65711 to 65715 inclusive, of the Government Code of the State of California, notice is hereby given that any and all persons interested in or objecting to the proposed change of name, may appear before the City Planning Commission on the 8th day of December, 1955, at 8:00 o'clock P.M., of said day, in the Council Chamber in the City Hall, in the City of Sierra Madre and show cause why the name of said public street, to wit: Grimes Avenue, should not be adjusted, altered or changed as aforesaid.

SECTION 3. The Secretary of the Planning Commission shall certify to the adoption of the Resolution of Intention and shall cause the same to be published twice in the Sierra Madre News, a newspaper of general circulation published and circulated in the City of Sierra Madre, publication to be completed at least ten days prior to the date of public hearing as aforesaid.

I HEREBY CERTIFY that the foregoing Resolution of Intention was adopted at a regular meeting of the City Planning Commission of the City of Sierra Madre held on the 10th day of November, 1955, by the following vote:

FIRE FLAMES

By JAMES HEASLEY

WITHOUT APPEARING obvious or somewhat of a knowledge, it's not easy to suggest ways and means of preventing fire. The prevention of fire is the best way known to keep a city from building up a reputation as a dangerous locality.

It is unfortunate that the continuous rumblings of the danger of living in the Sierra Madre Canyon area creates a suspicion in other parts of the city. There is really nothing alarming about the fire hazard in the Canyon area—any more than elsewhere, where homes are close together and a strong wind develops during a fire.

The streets or roads of the Canyon area are well supplied with fireplugs, all with good pressure, and now since two truck loads of fine fire hose are located along Alta Vista, there is little more danger of fire there than in other sections.

The greatest danger is the narrow roads that could become blocked by traffic in an emergency. It is requested that those who know this condition make every effort to keep the lanes cleared for the fire trucks.

IT MAY APPEAR that a pile of dry trimmings, leaves or other substance are harmless, but imagine the additional fire created when a small blaze reaches this accumulation. Residents are urged to keep the premises clear of such inflammable materials. A garage piled high with loose papers, old furniture, magazines and litter of all sorts, will only make for a better place for fire to spread.

A WELL-KNOWN fireman was found walking along the street clad in a barrel. He was stopped by Officer McDonough, who asked, "Are you a poker player?"
"No," replied our hero, "but I just left a few firemen who are."

Art Show Tie

Continued from Page 1
that every exhibiting artist received recognition, with Joshua Meador the decided favorite for first place (20 points).

Since the tally showed that neither Frame nor Meador received points in any other position than first place to remove the tie, the Exhibits Committee will meet in an extra session to determine disposition of the prize money and will consult with the two artists, each of whom will retain the honor of being a first prize winner.

First honorable mention was awarded to Jack Zajac for his "Portrait," and second honorable mention went to Francis de Erdely for the painting "Autumn."

property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof; in that the proposed variance if granted, would be subject to such conditions as the Planning Commission may deem necessary to assure that the spirit and purpose of said Ordinance No. 558 will be observed, public welfare and safety secured and substantial justice done to all parties.

Only 26 Days To Dream Up Xmas Display

There are only 26 days—not until Christmas (don't get excited)—until displays must be in place for the Lower Hastings Ranch outdoor Christmas decorating contest.

Judges will make their decisions the night of Dec. 19, with prizes to be awarded in six categories—nativity, storybook, humorous, best use of lights and most original.

In addition to a sweepstakes award of \$25 for the display judged the most outstanding, there will be first prizes of \$15, second prizes of \$10 and third prizes of \$5 in each of the six categories.

The contest, third annual one to be held in the Lower Ranch, is sponsored by the area's two garden clubs, Hastings Ranch Garden Club and Las Jardineras.

The committee in charge is composed of Mrs. Allen Werbelow, Mrs. Bob Vincent and Mrs. Fred Phillips from the Garden Club, and Mrs. Charles Ayres, Mrs. Charles Coates and Mrs. Bill Lansill. Two of the first prizes are given by the clubs and the rest will be donations from Hastings Ranch area merchants.

Pan Pacific Auditorium Sets Outdoor Show

The National Outdoor Living Show will be held from March 23 to April 1 at Pan Pacific Auditorium.

Designed to include all phases of outdoor living, the show will offer manufacturers and suppliers an opportunity to display products as well as to introduce new items to the public.

Exhibitors planning to participate in the show include manufacturers of patio furniture, barbecues, swimming pools, sports and playground equipment, gardening tools, patio and poolside apparel, outdoor cookware and cooking preparations, plus leading contractors and builders in the Southern California area.

Marsha Washburn Has Birthday Supper Party

Marsha Washburn celebrated her eighth birthday with a supper party recently at the Greenhill Road home of her parents, Mr. and Mrs. Jack Washburn.

Guests came at 2:30, played games and watched movies until the birthday dinner was served. The little girls especially enjoyed making their own snow men favors from balls of styrofoam, red ribbon and glitter.

Present were Leslie Veale, Jeanne Jennings, Rachelle Koonitz, Cheryl Lingren, Linda Skamser, Michelle Fey, Candy Ward, Carol Anderson, Susie Meyer, Karen Cosbey and Diane Hitchcock.

VILLA VIEWS

By Toni Maurin
SYcamore 7-9634

THERE HAS been quite a bit of local excitement up Sierra Madre Villa way this past week. After one of the recent rains there was quite a posse of women and children out stalking what was thought to be a mountain lion.

Through fields and weeds this valiant group went looking for the prey. They finally gave up in disgust when they discovered that one of the local great danes had been on an early morning prowl in the freshly dampened earth. It really was quite a "great" dane!

MR. AND MRS. JACK PRICE, of 3481 Fair Point, and their two daughters, Kathy and Janet, had an outing recently. They started out to do a little camping at San Clemente but were rained out before they could set up camp. They went from there to Mt. Palomar for a trip through the Observatory and then on to the Salton Sea where they spent the rest of their time camping.

MR. AND MRS. MARSHALL Harris, of 1540 Sierra Madre Villa, and their children, Susan and Lee, are spending Thanksgiving in Altadena with Mr. and Mrs. E. Marshall Harris Sr.

MR. AND MRS. RICHARD Pember, of 1270 Wynne Road, entertained with Mr. and Mrs. John Kron on Nov. 19 at a Mexican buffet supper. There were 27 couples in the party.

Mrs. Pember had suffered a harrowing week. The family cat jumped into the automatic clothes dryer when Jean opened it for a minute. She set the dial for 25 minutes and went on her way. Five minutes later she happened to notice her kitty spinning around at a great rate. I could leave you to wonder whether the cat survived. She did, but the Pemberes were in pretty bad shape!

MR. AND MRS. CHARLES Robinson, of 3340 Calver Road, plan to spend the Thanksgiving weekend camping near Calico with their two young daughters, Karen and Palmer.

MR. AND MRS. D. V. Gayton, of 3390 Fair Point, recently returned from a two-week flying trip to Honolulu. They rented a car while they were there and were able to take in many of the out-of-the-way places that the average tourists miss. They spent a little time in Waikiki and Maui. Mrs. Gayton termed the trip just plain "heavy."

MR. AND MRS. PAUL Siechert, of 117 Mesita Road, became the proud parents of an 8-pound, 2-ounce baby boy on Nov. 17. Mrs. Siechert was in St. Luke Hospital.

LITTLE DEBBIE DAKE, daughter of Mr. and Mrs. Burton Dake, of 2007 Villa Heights Road, is the proud owner of a not so new burro named "Christine." Mrs. Dake tells me there is quite an unexclusive club of people up her way that have been treed, chased or thrown by Christine. Right now is it nip and tuck who is going to hold up the longest—the Dakes.

Symphony to Open Sunday

With the Prelude to Wagner's opera, The Mastersingers of Nuremberg, the San Gabriel Valley Symphony Orchestra will open its second concert of the season on Sunday at 3 p.m. in Monrovia-Duarte High School auditorium.

Harold Scott, permanent director of the orchestra, will conduct a program which will also include Schubert's Symphony No. 8 in B minor, the so-called "unfinished," Hungarian Rhapsody No. 2 by Liszt; arias from Don Giovanni and La Boheme, and an oboe concerto by Haydn.

Among the soloists will be Bob Winn, 13, who was a winner in the San Gabriel Valley Symphony's young artist competition two years ago. Bob, whose entire family, including mother, father and brother, all play in the wood-wind section of the orchestra, will play the Concerto in C Minor for oboe and orchestra by Haydn.

Other soloists will be Ruth Scates and Dean Tack, who will sing duets from Mozart's Don Giovanni and Puccini's La Boheme. Ruth Scates has been soloist at the Bach Festival in Carmel for several years and will solo in Handel's Messiah on Dec. 4 with this orchestra.

Dean Tack, choir director of the Arcadia Presbyterian Church, is a member of the staff of the Los Angeles Conservatory of Music and will direct the combined choruses and orchestra in the forthcoming Messiah.

Democrats Will Have Yule Party; Hold Election

Members of the Hastings Ranch Democratic Club today announced plans for a holiday party Dec. 10 at the home of Mr. and Mrs. Russell D. Kraus, 1420 Valley View.

A short meeting for election of officers will be held before the party gets under way. A buffet supper will be served. Members of the club are invited to bring friends.

Eugene Field Has Parent Conferences; Offers Report on 'Good Discipline'

Eugene Field School will close for the Thanksgiving holidays tomorrow, with grade level meetings and parent conferences completed, as well as a parent education series on children's books and techniques of teaching reading.

Parent conferences consist of a half-hour discussion period between each child's teacher and parent, on his work, capabilities, personality and other aspects of his character. At this time the first report card is given to the parent, with parent and teacher each indicating what he can do to help the child.

A report on "good discipline," given to parents at the grade level meetings, has found favor with many mothers and fathers.

Good Discipline
"Five ways to win the respect of a child," says the report, "are through firmness, fairness, challenges, helpfulness and cheerfulness."

"Firmness: The young need a 'tower of strength.' That tower is frequently provided by teachers and parents who make clear the standards to which children are expected to adhere. Until he learns self-discipline he will welcome the guiding hand of his elders."

"Fairness: Children recognize the reasonableness of a situation as well as its unreasonableness. They will admire the teacher and the parent who is

A RECENT BIRTHDAY PARTY for David Johnson was judged a howling success by all the kids. Shown, from left, are Gail Templar, Bill Semple, Steve Dancik, Richard

Zoo Barnyard Exhibit To Stage Fall Show

Renewing a popular attraction that has become almost a tradition in the past few years, Griffith Park Zoo's Barnyard Exhibit will present its Fall Festival over the Thanksgiving Day weekend.

For four days, beginning on Thanksgiving and continuing through Sunday, the Zoo Barnyard will be adorned with harvest time trappings, such as pumpkins, squash, apples, grain and cornstalks.

Featured among the domestic animals will be turkeys, geese and other fowl associated with the Thanksgiving-to-Christmas season. Children will be able to handle some of the barnyard boarders.

Visiting hours at the Barnyard Exhibit, are 10 a.m. to 4 p.m. Admission is free.

Sports in Haste . . .

Ski Equipment Is Available For Novice and Expert, Too

By Charles Ayres

NOW THAT THE season's first snows have fallen with evidence of much more to come, many of the Ranch residents are regarding it with an air of happy anticipation. They are dragging out their skis and applying plenty of elbow grease and ski wax.

If you don't know a snow plow from a tow rope but think you would like to try your hand at one of the world's most exciting sports, read on.

Our local sports shops will be happy to rent you the basic equipment needed at a nominal fee. The usual charge for boots, skis and poles is \$3.50 per day, with lower rates, of course, for longer term rentals. If you can beg, borrow or steal a pair of ski pants and add to that a sweater, jacket and gloves, you are pretty adequately equipped for this new venture. Ski pants are not an absolute necessity but they provide considerably more comfort than might otherwise be enjoyed.

Ski equipment may be rented at the mountain resort that you choose, thus eliminating the necessity of driving through the hills with skis projecting from your car. As a word of caution, however, on a busy weekend you may find the supply depleted by the time you arrive.

ALL THE MOUNTAIN resorts offer lessons to beginners and advanced students. The class rates are \$2 per hour per lesson with private lessons ranging from \$5 to \$10 per hour. Rates for chair lifts are about \$3 per day. The tow rope is \$2.

If you would like to take lessons in parallel skiing in the evening you can do so without getting any nearer the snow than Jefferson Recreation Center. These "dry land" ski courses are instructed by Ted Pearson as part of the Recreation Department program. There is no charge.

The skis are fastened to a

Neighbors Honor Mrs. Langsett at Farewell Luncheon

Mayfair Road neighbors will gather today for a "going away" luncheon honoring Mrs. Robert Langsett at the home of Mrs. C. R. Miller. Fall flowers are to be used in arrangements and the travel theme will be carried out in place cards and other decorations.

Mr. and Mrs. Langsett and their four small sons are moving this month to Lancaster, Pa., where Mr. Langsett has been transferred by his firm. The couple has been active in Ranch activities, being members of the Hastings Ranch Dance Club. She is a member of Las Jardineras and of the Shakespeare Juniors of Pasadena.

Fellowing Mrs. Langsett will be Mrs. Richard Hasbrook, Mrs. Vincent Bush, Mrs. Ralph Rifenburgh, Mrs. Rex Thompson, Mrs. Fred Stever, Mrs. James White, Mrs. John Behrens, Mrs. Orion Rogen, Mrs. Bill Smith, Mrs. Ray Anderson, Mrs. Frank Todd, Mrs. Thornton McCarthy, Mrs. Earl Stevens, Mrs. Roger Moffatt, Mrs. George Thompson and Mrs. T. Keith Watson.

The man who builds his own character often does a job no other man would take off his hands.

Thanksgiving Festivities Planned by Ranch Residents

Preparations are well under way for the Thanksgiving festivities and many dinners planned by Ranch residents and their families. Today and tomorrow will be big shopping days for the hostesses ending with "The Battle of the Bulge" trying to get all the purchases in the refrigerators.

Mr. and Mrs. H. Vern Gates, 1225 Tropical, and their children, Jeanne and Jack, will spend the holiday with Mrs. Gates' mother, Mrs. J. H. Moore of San Jose, Calif.

Bridge Tourney In Second Round; Scores Needed

Although the second round of play has begun in the third annual bridge tournament sponsored by the Hastings Ranch Nursery School, all scores are not yet in for the first round. Mrs. Gordon Wright, tournament chairman, said she will be unable to announce the couples ahead so far until all scores are counted.

Fifty Ranch couples are taking part in the tournament which began Oct. 23. The second round must be played by Dec. 11. Mrs. Wright reminded players that score sheets kept by both couples with the date of game should be returned to her immediately after each game.

Mickey Mouse Party For Murray Davis

Mr. and Mrs. Cecil W. Davis, 1270 Rexford, recently honored their son, Murray, on his eighth birthday anniversary. A "Mickey Mouse" theme was carried out in the decorations and refreshments.

Following the fun at home the guests were taken to a miniature golf course for a "round on the greens."

Those in attendance at the happy affair were Kent McKee, Mahlon Chinn, Ricki Gnagl, Bobbie Saxon, Doug Senour, Robbie Brown, Butch Leslie and the guest of honor's sister, Lynne.

David Brown Feted On Ninth Birthday

David Brown, son of Mr. and Mrs. J. Harvey Brown Jr., 1405 Hastings Ranch Drive, celebrated his ninth birthday anniversary at a barbecue supper with some of his young friends.

Those arriving to enjoy the food and games were Robert Captain, Bobby Glade, Deanna Rowan, Cheryl McKibbin, Toni Loomis, Nancy Taylor, Patsy Carley, Suzanne Wynn, Tim Roswell, Ronnie Stine, Ken Macy, the guest of honor's sister, Jan, and cousin, Brad Lundin of Inglewood, Calif.

Also in attendance were David's maternal grandparents, Mr. and Mrs. P. R. Lundin of Venice, Calif., and uncle and aunt, Mr. and Mrs. Rod Lundin.

The Kenneth W. Christiansons, 1230 Coronet, and their children, Kip and Kim, will be guests of Mr. and Mrs. Edward B. Bates of Pasadena for Thanksgiving dinner.

Mr. and Mrs. Alpheus L. Pruitt, 3810 Cartwright, will entertain Mr. and Mrs. Elmer Galbreath and Mr. and Mrs. Kirk Vernon at dinner.

Mr. and Mrs. Edward R. Halperin, 1245 Tropical, will welcome their daughter, Patti, home from Stanford University where she is attending school.

Mr. and Mrs. J. Harvey Brown Jr., 1405 Hastings Ranch, are planning a big day Thursday. Their children, Jan and David, will join them for dinner at a family party in the home of Mrs. Brown's parents, Mr. and Mrs. P. R. Lundin of Venice, Calif. Since it is also the Browns' 11th wedding anniversary they will enjoy a "night out."

Mr. and Mrs. Wendell J. Booth, 3755 Denair, and their daughter, Wendy, will be the guests of Dr. and Mrs. James Nash, former Ranch residents now living in Pasadena, and their five children.

The Gordon S. Templars, 1220 Tropical, and their daughter, Gail, will share the day with Mrs. Templar's brother-in-law and sister, Mr. and Mrs. Stanley Hopkins of Los Angeles.

The Hayes W. Caffee family of Whittier will entertain Mr. and Mrs. Victor E. Caffee, 1240 Coronet, and their daughter, Debra.

Mr. and Mrs. Orville J. Johnson, 1215 Tropical, and their children, Debbie and David, will be the guests of Mrs. Johnson's brother-in-law and sister, Mr. and Mrs. Stanley Pederson of West Covina, and their four children.

Mr. and Mrs. W. Bernard Melone, 1110 Valley View, and their children, Gene, Kathie and Rickey, will have Thanksgiving dinner with Mr. Melone's parents, Mr. and Mrs. Harry Melone of Los Angeles.

JAMES A. GITTINGERS VISIT BIG BEAR LAKE

Mr. and Mrs. James A. Gittingers, 1135 Michillinda, enjoyed the Veterans Day holiday at Big Bear Lake.

Mr. and Mrs. Alfred C. Ingersoll and John

Mr. and Mrs. Alfred C. Ingersoll, 1134 Valley View, and their son, John, have recently returned from a 12-month stay in India. En route to India the Ingersolls spent two months visiting Japan, Hong Kong, Thailand and Burma.

Mr. Ingersoll is an associate professor at Cal-Tech in civil engineering, specifically hydrodynamics. He was invited by the University of Wisconsin, which holds the Technical Cooperation Administration contract with the State Department of the federal government, to teach at the Bengal Engineering College near Calcutta, India.

The Ingersolls lived in How-

rah, just across the Hoogly River from Calcutta. John attended an English school, La Martiniere, in Calcutta.

Mrs. Ingersoll spent her time teaching English to secretaries, making clothes for the servants' children and entertaining the faculty, students and residents.

Both the Ingersolls were active in the Humanity Association, a welfare organization which maintains a volunteer social welfare center with a free medical and family planning clinic.

They also took part in the Calcutta Civic Music Assn. It is

of interest to note the Calcutta Civic Symphony Orchestra is the only one with a scheduled concert series in Asia, with the exception of Japan.

Mr. and Mrs. Ingersoll state everyone from the faculty and students to the bus drivers and trades people treated them with the utmost kindness and cordiality. Residents accepted them in their homes and made them most welcome. They say the natives of India have a great feeling of warmth and liking for the American people.

Mr. Ingersoll has returned to Cal-Tech after his 14-month leave of absence.

Take your problems to Church this week — millions leave them there!

For the Whole Year—Not Just a Day

A lifetime couldn't give us a fair start toward enumerating the reasons for gratitude to our God, for we as Americans have a truly great heritage. The Pilgrims fought, bled, and died that we today might have freedom. Yes, we have freedom of speech, press, assembly, and petition, but greater than these, I think, is our freedom of religion. Our first duty is to God, and it is our privilege to worship Him in the faith of our choosing.

This Thanksgiving Day ought not to be just another holiday instituted for our relaxation and pleasure, but rather, it ought to be a time such as was set aside many years ago by our forefathers to praise God and to thank Him for His many blessings. Let us reverence this day, and dedicate it to this purpose.

And let us appropriate this Thanksgiving Day for more than just a day in which to praise and thank God; but, as a kind of trigger to get us in a praying, loving, and forgiving relationship before God. This is the foundation that the Pilgrims left for us to build on. If we look to God **daily** with thanksgiving in our hearts, we will establish a pattern of right relationship and right living which will be effective the whole year through.

There is a real blessing awaiting you at church this week, so why not plan to attend the local church of your choice.

With the hope that it will, in some measure, foster and help sustain that which is good in family and community life, this feature is sponsored by the business firms and organizations whose names appear in this space.

Methodist Church to Observe 2nd Anniversary This Sunday

The second anniversary of the Sierra Madre Methodist Church will be celebrated this Sunday with appropriate ceremonies at the 11 o'clock worship hour. Dr. Chilton C. McPheeters, the newly appointed pastor of the church, will preach on "Come, Let Us Build."

Featured will be the initial appearance of the Junior Choir at the worship hour. Now grown to 22 active members, the choir will sing "Great Is Thy Faithfulness," by Runyan, and "Savior, Hear Us, We Pray," by Brahms.

The senior choir, under the direction of Mr. Sam Kirk, will sing the anthem, "Let All Mortal Flesh Keep Silence," by Gustav Holst.

Continued growth of the congregation has necessitated a further order for additional chairs. The coffee hour, a new

feature between Sunday School and Church, starts at 10:30 and offers an informal time for fellowship and friendliness.

Parents are reminded that child care during the worship service includes nursery for infants and a cherub choir and story hour for children 2 through 7.

The new minister of visitation, the Rev. Fred W. Morris, is making rapid progress in his survey of areas adjacent to the church. The goal is to assist every unchurched family to find an active relationship with some church.

The readings are without note or comment, and one may use whatever version of the Bible he prefers.

Table decorations were rose and white, with two lovely floral arrangements of soft pink and lavender. Since Mr. and Mrs. Wells are active in Court San Gabriel Valley 887 of the Independent Order of Foresters, the cake was decorated with the words, "Welcome Junior Forester Wells."

Cantor George David will assist with the services by chanting the hymns and prayers. At the new organ which was just dedicated, Mrs. Herbert Stevens will preside.

Following the services, at the Oneg Sabbath, Mr. and Mrs. Harold Fields of Arcadia will be the hosts and look forward to welcoming the members of the Temple Center and of the community who will be most welcome.

Religion in Life Marks Seventh Year

This month marks the seventh annual observance of the Religion in American Life program.

Sponsored by leaders of the Catholic, Protestant and Jewish faiths, the month-long program has as its theme "Give Them a Faith to Live By . . . Worship With Them This Week."

The theme points up the importance of regular attendance by the family at worship services since it is the family that sets the patterns and establishes the habits which last for a lifetime.

The list of the national laymen's committee sponsoring the program includes many of the nation's foremost industrialists. This reflects the concern of business and industrial management for emphasizing spiritual as well as material values.

While the American business system has supplied the highest standard of living in human history, there is a deeper recognition today of the importance of spiritual "bread" as well.

Some folks live so fast that it's impossible for happiness to overtake them.

SOMETHING NEW under the sun . . . and stars!

A Dome Car with two decks— and every seat "under glass"

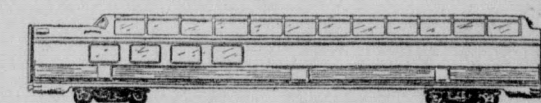

"Sky-wide and handsome" is what you'll say about Southern Pacific's unique new Dome Lounge Car, when you first step inside. It's built on two levels, or terraces, but is open to the heavens from stem to stern. (Incidentally, we've also put in extra capacity air conditioning, and lightly tinted glass, so that it's always pleasant inside, no matter what the weather outside.)

One third of the car is a high-ceiling cocktail lounge, while up a short flight of steps is a terrace deck with many more comfortable seats for enjoying refreshments and unparalleled views of the scenery.

A ride in one of these new Dome Cars is like a ride in a convertible with the top down—but without the wind.

You'll find a new Dome Lounge Car on the San Joaquin Daylight between Los Angeles and San Francisco via the Valley Route, the Shasta Daylight between San Francisco and Portland, and between San Francisco and Ogden on the Overland.

We invite you to try one soon—and we hope you'll find it an indication that, for both passenger and freight, we are trying to do a modern, progressive job of railroading.

Keith Barnes Has Good Luck Hunting

Mr. and Mrs. Keith Barnes, 1280 Daveric, and their son, Craig, have recently returned from a three-week stay at the Circle S Ranch near Cora, Wyo. Mr. Barnes brought down a 1,000-pound moose and a 150-pound deer. At present, the

Barneses have 700 pounds of dressed meat in their freezer. They are planning a dinner party in December which will "feature" moose meat.

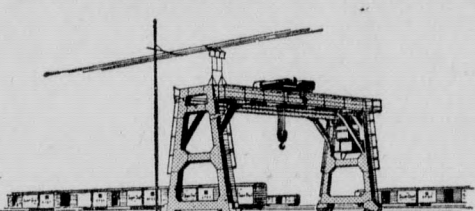

While Mr. Barnes was at the hunting camp Mrs. Barnes and Craig enjoyed riding, swimming and sledding at the ranch. Craig also celebrated his fourth birthday at the ranch.

THERE CERTAINLY has been a lot of excitement around Beverly Dancart's house at 3745 Fairmeade. Her big sister, Donna, was married at 2 p.m., Sunday, Nov. 13, at St. Theresa Catholic Church in Alhambra, to Joe Nicotra. The reception was held at the San Gabriel Masonic Temple.

Shirley Peravano, 3805 Canfield, and Nancy Peterson, 3835 Canfield, and Beverly were bridesmaids and darling little 5-year-old Linda Dancart was the flower girl.

Donna and Joe went to Lake Arrowhead for their honeymoon and then Donna will travel with Joe as an Air Force wife.

AS IF THE wedding weren't enough excitement for one day, they had a burglary at their home Sunday night while they slept. Somebody entered the back door and stole quite a sum of money and checks. The billfold was recovered minus the money.

I know for sure there's been a crook around—somebody stole my dad's check out of our mailbox and forged it.

Johnny Atkinson is one of those lucky fellows who owns his very own horse. He acquired "Topper" last May and is able to keep him within walking distance of home. Johnny is an enthusiastic member of Canyon Vaqueros.

If you've noticed a strange feeling around, it's because recent cards came home.

PAULA GANN and her family will be on their way to Modesto Thursday for the Thanksgiving weekend. She will be at her grandparents' 68-acre farm with her parents and her two brothers, Ralph, 10, and Rocky, 6. The Gann family tries to visit with their grandparents every year at this time.

Her grandfather breeds minnows, for fishing. He also raises walnuts, alfalfa, fruits, and other crops, as well as raising a few sheep.

While Paula is up there, her family plans to enjoy their grandfather's airplane. Mr. Gann Senior's dream came true about 10 years ago when he became the proud possessor of a fine plane. When not in use it is kept at the Oakdale airport. They are also looking forward to fishing in the Stanislaus River.

FRIENDS AND neighbors will all want to extend a hearty welcome to Diane Gilchrist, our newest teenage resident in the Ranch. In seventh grade, Diane lived in Sierra Madre on Mountain Trail. When Diane was in the eighth grade her father was transferred in his business and they moved to Oregon. There Diane went to Hedrick High School. She has a brother in the third grade and now they live on Riviera Drive. We are all happy to have Diane and her family back in Southern California.

NADENE AND STERLING Peacock are moving from their home but we are very happy to say that they are not moving far. Their new home on Pine Bluff Drive has a swimming pool which they are looking forward to using. Nadene and Sterling will still be going to Marshall Junior High.

Scanning the Sports Scene

With BOB BROGGER

Many of you fans have heard people talking about the Junior Rose Bowl Game equalling the big New Year's Day game in attendance and excitement. Actually I think the Junior classic has already equaled or surpassed the big game in excitement.

It wasn't until the 1951 game that the scores began to get close. And no where will you match the thrills in those games. Practically all these contests have kept the fans on the edges of their seats until the final gun.

Many of you will always remember the 1951 Junior Rose Bowl game. Pasadena's undefeated hometown City College Bulldogs battled Tyler Junior College (Texas) in a nip and tuck thriller that saw the outcome rest on the famous toe of guard George Textor, who later went on to play for Navy. His four consecutive conversions gave Pasadena a narrow, 28-26 victory.

From the opening kickoff—which Tyler's Billy Andrews ran back for 94 yards and a touchdown—to the final gun, Rose Bowl fans were thrilled to every moment of play.

Pasadena was paced by Addison Hawthorne, who later played for USC, and Al Napoleon, who went to Stanford.

Numerous individual and team football marks were shattered in this great Tyler-Pasadena meeting. Napoleon's 206 total rushing mark still stands as all-time Junior Rose Bowl high. The Bulldogs' team total of 450 is a record, too.

If you thought the 1951 game was a dilly, you shouldn't have seen the 1952 contest. Honestly, I have never seen such an exciting game. I doubt very much if you'll ever see or hear about a game like the one that was played that year. It was a game like the one that was played last year. It was a game that made you want to talk about it forever and ever without stopping.

It has been easily named the all-time spine-tingler. Bacone (Oklahoma) 20, Hartnell (California) 20.

Hartnell, a surprise Western choice, tied the favored Bacone Indians, 20-20, AFTER the final gun had sounded.

Trailing at game's end, 13-20, Hartnell's final scoring opportunity was snuffed out when Bacone intercepted a last-ditch pass on their own 31. However,

Richard Armour to Speak at PCC Forum Nov. 29

Dr. Richard Armour, poet, philosopher and writer, will discuss "Progress in a World of Tension" on the Tuesday Evening Forum, Nov. 29 at 8 p.m. in Sexson Auditorium at Pasadena City College.

Dr. Armour spent most of last year in Paris, observing, studying and writing, focusing his attention on the political and

an official detected interference on the play and Hartnell had one more opportunity—and they made the most of it.

A very tense silence fell over the Rose Bowl as Hartnell had just one play to score. Quarterback Arlin Dillard passed to Tony Teresa on the 3 and Teresa rammed over for the score, 20-20. Hartnell's conversion attempt was blocked to record the first and most unexpected tie score in JRB history.

The fans were so shocked at what they had just seen, they just seemed to stand there in silence for a moment pinching themselves to make sure they weren't dreaming.
